**ORDER**

Pending is Plaintiff's motion *in limine* seeking to preclude any reference to the European Patent Office decision. (Docket # 113). Defendants have responded. For good cause shown, Plaintiff's motion is GRANTED. The Court finds that any testimony or evidence relating to the European Patent proceedings and decision could confuse the jury as the proceedings were conducted pursuant to different laws and procedures, would suggest the decision the jury should reach and any probative value of the evidence is outweighed by the prejudicial effect. Accordingly, any evidence relating to the European Patent proceedings or decision is hereby precluded from evidence in this case.

IT IS SO ORDERED this 21<sup>st</sup> day of July, 2008.

  
James M. Moody  
United States District Judge
